INTRODUCING TOM FLICK

I have the honor of introducing our speaker...

Teamwork, total commitment, maximum effort, leadership, and winning are all terms we have heard used in the business environment, but nowhere are these principles more intense than the 60-minutes of a professional football game. Tom Flick, our keynote speaker, has been there, not only as an All-American quarterback on a championship team but also as a NFL quarterback for seven seasons.

Since 1990, Tom has drawn on his leadership experience as a former NFL quarterback, his extensive work in corporate America, and his work with the world's foremost authority on Change Leadership, Harvard Professor, Dr. John Kotter to address over 100,000 men and women each year. Tom's clients are a venerable list of companies; **Microsoft, Starbucks, American Express, Amazon, PepsiCo, Mercedes-Benz, Google**, and **NASA** to name a few.

Happily married since 1985, Tom Flick and his wife, Molly, have two children. A mountain biker, fly-fisherman, and avid reader, Tom is most proud of his role as husband and father.

Please help me welcome . . . Mr. Tom Flick!
